## TO WHOM IT MAY CONCERN

This is to state that Central Business Academy has acted as training provider to our company for the following learnerships:

- Professional driving NQF 3 during 2004
- Sales & Marketing NQF 4 during 2005
- Sales & Marketing NQF 4 during 2006
- Freight Management NQF 4 during 2007

In all our dealings with Central Business Academy they have conducted themselves in the most professional and effective manner. Feedback from learners as well as company staff has been positive throughout. Although the latter learnership mentioned above is still in progress, we have not experienced a single learner failure.

As a result of our satisfaction with their service provision, we have continued using them as training provider and will do so in future.

Yours truly,

---
