To Whom it May Concern

We are pleased to provide this reference letter for Central Business Academy of 45 Park Road, Willows, Bloemfontein.

Our business has provided services to Central Business Academy since 2007. The nature of the business was learnerships and training at various companies.

Prior to this, Central Business Academy has provided numerous sales and distribution learnerships at my previous employ at SA Breweries Ltd Central Region.

We found Central Business Academy staff to be very knowledgeable, professional and co-operative throughout the course of conducting business with them. In addition they have been very responsive and thorough in addressing minor issues associated with each project.

We look forward to working with them again in future.

We would recommend Central Business Academy to you without any hesitation.

Yours faithfully
