RE: CENTRAL BUSINESS ACADEMY - SERVICES

I would like to confirm that I have worked with the above company on various occasions and that I can gladly refer them to any person/company that would want to make use of their services.

They have always been:

- 1) Effective in their operations
- 2) Professional in handling any matters and queries
- 3) They have a very skilled and talented staff complement which makes the customer to feel comfortable
- 4) They are always friendly

Hoping you find the above in order.

Kind Regards

Marlene Linstrom
