Dear Sir/Madam

Re: Letter of Referral, Central Business Academy

I the undersigned in my capacity as Executive Director of LifeLine/Childline Western Cape hereby wish to attest to the business relationship with Central Business Academy.

We established our relationship in the year 2012 for the purpose of Assessor Training.

The conduct of both frontline and training staff has been of superb professionalism and that of efficient and timeous delivery on requests with regards to the training.

The hundred percent success rate of our staff having completed the Assessor Training with the Central Business Academy is testimony to the quality of the training.

I would definitely recommend the Central Business Academy and make use of their services for future training.

Yours sincerely

Ricki Fransman
Executive Director
